

Minutes of Meeting (18.02.2021)

Following are the suggestions given by BOS members.

R20 regulation Course Structure.

1. Inclusion of electronics subject in I year - EDC.
2. Reduction of reference books for CSBS Principles of Electronics Engineering
3. Change of credits to 3 for EEE-DLD subject
4. Separation of AC & DC subjects
5. Inclusion of EMI in 3rd year (brought forward from the 4th year)
7. Change of elective subjects
8. Specify employability skills.

With above modification, the modified course structure was sent to BOS members for approval on 20.02.2021.

The BOS suggested the following changes.

1. Semiconductor Physics may be renamed as Semiconductor Devices & Circuits.

2. Grouping of 7th sem Subject grouping

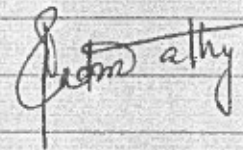

The final approval of course structure was done (24.02.2021).

2nd Board of Studies meeting of Department of Electronics and Communication Engineering, VISHNU INSTITUTE OF TECHNOLOGY (AUTONOMOUS) held on 18.02.2021 @ 10.30 am at boardroom through online mode at VIT Bhimavaram

S.No.	Members Present	Signature
