As part of the curriculum, all B.Tech. students across disciplines are required to study the Constitution of India and professional ethics, emphasizing the importance of these subjects. Every year, two important national festivals, Republic Day and Independence Day, are celebrated at both the University Headquarters and its regional centers, with the enthusiastic participation of teaching and non-teaching staff as well as students, all united for the cause of the nation. These celebrations include inspiring speeches that uplift and motivate. The institute has established a code of ethics for students, as well as a separate code of ethics for teachers and other employees, which applies to everyone, irrespective of their cultural, regional, linguistic, communal, socioeconomic, or other diversities.

Van Mahotsav Week Celebrations 01.07.2022 TO 07.07.2022

Van Mahotsav day/week is celebrated to raise awareness among individuals regarding the importance of trees and inspire citizens to plant more of them. Van mahotsav is an annual tree planting movement in India which initially began in 1950. The name Van mahotsav means the festival of trees. It has gained significant importance every year for one week in the first week of July. Millions of saplings are planted across India in observation of van mahotsav.

Dr. D.Suryanarayana, Director & Principal, addressed the students about the importance of Van Mahotsav. He said that, Greenery, as a whole, helps in maintaining ecological balance. Since trees are such a vital part in the ecosystem, it is the duty of each and every individual to preserve vegetation and root for a healthy, pollution-free environment. Due to urbanisation and industrialisation, more and more trees are cut down every day. Deforestation is an emerging concern and **Van Mahotsav** week aims to combat the environmental imbalance caused due to this action.

As a part of Van Mahotsav week celebrations from 01.07.2022 to 07.07.2022, our college NSS unit organized various activities in association with our Eco Club.

TEACHERS' DAY CELEBRATIONS ON 05.09.2022

Teaching is a profession that teaches all other professions. A day is kept aside to remember all the teachers. This day is celebrated in commemoration of Dr. S.Radhakrishnan, who was a staunch believer of education and was the well-known diplomat, scholar and above all a teacher. To carry forward this tradition, NSS Units of Vishnu Institute of Technology, celebrated Teacher's Day to thank the teaching faculty for the contributions they make to the students and community. The program is started with a prayer song by Ms.D.Lasya.

Dr.D.Suryanarayana, Director & Principal was the chief guest of the event and he spoke on the role of a teacher in a student's life considering them the nation builders. He underlined the need to develop self-discipline, commitment and dedication towards their profession. He said that teachers play a significant role in guiding and instilling values, brotherhood and humanity among the students. He concluded with a statement that "Every day is a learning day and the process of learning is never ending for teacher."

All the HODs, faculty and Department level NSS coordinators participated in the celebrations.

ENGINEERS DAY CELEBRATIONS ON 15.09.2022

Engineers' Day was celebrated in connection with the birth anniversary of world famous engineer and Bharat Ratna recipient, Mokshagundam Visvesvaraya, who was regarded as the 'Father of Modern Mysore' here on Thursday by NSS unit.

Director & Principal, Dr.D.Suryanarayana said, We remember Sir M. Visvesvaraya on his Jayanti. India is proud of the contribution of our engineers towards nation building. He told that human progress would be incomplete without their innovative zeal. He explained about how technology has changed over time and how engineers have to keep up to this fast moving technology. He conveyed Greetings and best wishes to all hardworking engineers.

On this occasion, various engineering branches of our college conducted competitions to the students and winners of the events were given prizes on the dais.

Constitution Day

On the occasion of Indian Constitution Day, NSS UNIT of our college organized an Awareness Programme on “Constitution of India” on 26.11.2022 at Padmabhushan Dr. B.V. Raju Mini Auditorium at 10.00 A.M

Addressing the gathering, Dr.D.Suryanarayana Director and Principal, said that the Constitution Day is being celebrated in India as a tribute to all the great legends who worked tirelessly to give India its Constitution. He said that the Indian Constitution has given us our rights with our responsibility and duties but we always seek for our rights and forget about duties so he urged every individual to first perform their duties and responsibilities which automatically provide their rights. He said that the Indian Constitution is for continuity of democracy and integrity of nation. He remembered Dr B.R. Ambedkar, the Architect of the Indian Constitution, for his stellar contribution and socio-political understanding.

Vice Principal Prof.K.Srinivas, the HODs of all Departments graced the program and 350 students from I B.Tech (all branches) attended the program.

Report on National Deworming Day

Date: 16.03.2023

National Deworming day was observed at Vishnu Institute of Technology (A) Bhimavaram on 14.03.2023 Tuesday. Dr.D.Suryanarayana, Director & Principal addressed the student that worms in children interfere with nutrient uptake, and can contribute to anemia, malnourishment, and impaired mental and physical development. To combat this issue, in 2015 the Government of India launched the fixed-day anganwadi and school-based National Deworming Day to deworm all children aged 1-19 years. Students should be aware of the health problems caused by roundworms and give proper awareness to the neighbors especially that these roundworms cause many types of diseases in small children and affect the digestive system and blood circulation system. Later, Albendazole tablets (200) sent by Andhra Pradesh government were distributed to the students. Prof.K.Srinivas, Vice Principal, Dr.D.J.Nagendra Kumar, Dean Evaluations, all the HODs, and NSS Program officer participated in this work.
