### About the Institution

Vishnu Institute of Technology, the scion of Shri Vishnu Educational Society was established in 2008 and is currently the eleventh educational institution to disseminate education under the aegis of this society. Nascent that it is, it combines in its matrix the lofty idealism of its Founder Chairman the Late Padmabhushan Dr. B. V. Raju, a distinguished industrialist, philanthropist and an eminent educationalist; the experience and vigor provided by the Chairman Sri K.V.Vishnu Raju, a man of holistic vision and his team comprising dexterous administrators, reputed academicians and brilliant line of students. They constantly strive to make the institution join the ranks of prestigious technical institutions.

### About CSE & IT Departments

The department of Computer Science & Engg. was established in the academic year 2008-09 with an annual intake of 66. It offers 4 year B.Tech. program affiliated to JNTU Kakinada & approved by AICTE. The annual intake of CSE branch was increased to 120 from the academic year 2010-11. The department offers M.Tech (CSE) from the academic year: 2012-13. The department has number of well equipped Laboratories and provides excellent facilities for learning.

Department of Information Technology was started in the year 2008. The department of IT is offering 4 year U.G. program. Both the departments have highly qualified faculty with a perfect blend of academic and industry experience. The faculty are actively involved in research activities and DST projects. The departments have a good placement record.

### Objective

Soft Computing methods provide flexible information processing capabilities for handling real life ambiguous situations. Inspired by nature, with tolerance to imprecision and uncertainty, soft computing methods are helpful in solving research problems of many domains. The main objective of this FDP is to provide an outline of various soft computing methodologies and their application to research problems.

### Content

- Soft Computing Paradigms
- MATLAB as a research tool
- Research issues
- Case studies
- Hands on sessions

### Resource Persons

Eminent personalities from HCU/NIT/  
Universities

### Venue

Seminar Hall, CSE Dept.,  
**VISHNU INSTITUTE OF TECHNOLOGY**
